PROGRAM COMPONENTS

Initial Diagnostic Consultation

Initial Diagnostic consultation. Here we will seek to baseline where you are currently and get crystal clear on your future state goals.

Online Training & Development Materials

Access to all training and development materials online – including topical videos, corresponding workbooks for notes and review and online quizzes.

Recorded Monthly Coaching (Owners/Directors & Practitioners)

Group Monthly Coaching Call – Exclusively Owners/Directors
Group Monthly Coaching Call – Planners/Advisors.

Online Reporting

Online Reporting at your fingertips to measure and manage your staff's engagement with the program via our Learning Management System (LMS).

Email Support

Adhoc support as needed via email

Phone Support

Adhoc phone support as needed

1 Day Face to Face Facilitation & Launch

Live 1 Day In house Framework Training for Advisory Team (held at your premises).

Live Monthly Coaching (Owners/Directors & Practitioners)

Live Group Monthly Coaching Call – Exclusively Owners/Directors.

Live Group Monthly Coaching Call – Planners/Advisors.

Quarterly Coaching Club

Spend a full day workshop with **your fellow peers in your city**. This event is designed to ensure accountability, support and a community of likeminded leaders collaborating to drive results further.

This is applicable if you have under 10 Advisers/Planners in your firm.

Spend a full day workshop **within your practice**. This event is designed to ensure accountability (numbers and results will be shared), support and build a sense of team and collaboration and best practice sharing across your staff.

This is applicable if you have 10+ Advisers/Planners in your firm.

Quarterly Debrief & Review Consultation

This includes statistical reporting every 3,6,9 & 12 months.

We will debrief and recommend actions where we can review your results, discuss what you are experiencing, review those areas where results have improved as expected or those areas that are lagging and outline exactly what to do.

This process ensures momentum builds towards your ultimate year end results.

3 Days on site including detailed discovery and analysis of your business.

This option includes spending 3 days getting to know your business and your advisers needs and desired results in great detail to meet your business goals.

1 Day Annual Review Workshop for Executives & Practitioners

1 Day debrief at the end of 12 months working together, reviewing all changes, results, progress, including a detailed financial analysis of key benefits and remaining opportunities for your practice.

if you want to explore the possibility of working with Performance Advisory Group contact us directly to arrange an appointment to discuss your specific needs.
